nternationally acclaimed singer Ameya Dabli launched his music album Ekam Satt — One Truth, One Humanity, World Music at the hands of global humanitarian and spiritual leader Rev. Dada J P Vaswani as part of the latter's centenary birthday celebrations in Pune. The album is available on all digital platforms through Times Music. Inspired by respected Dada's message of selfless love and service for humanity, the album features the works of legendary poets and saints such as Kabirdas, Mirabai, Narsinh Mehta, Guru Nanak Dev, Khwaja Garib Nawaz, Buddha, Tukaram, Tulsidas, Gospels and others.

Given the continuous stress and turmoil that individuals across the globe face, there is an urgent need for each of us to pause, reflect and connect with each other, cutting across our religious, social and cultural beliefs. The album's songs focus on this precise

theme that eventually it is a 'one world family' and showcases the best of sufi, folk and contemporary world music across different genres. The album has foot tapping numbers covering Indian and international musical forms to appeal to groups. With an aim to spread the message of love and unity across cultures and society globally, Ameya Dabli and his business partner Purvi Soali quit their successful corporate careers to become social entrepreneurs.

A versatile singer, Ameya has performed over 1,500 concerts across 15 countries. The music from the album is already a rage with live renditions by Ameya across 25 locations including for large corporates like Aditya Birla Group and at the Indian High Commission in London. He is currently touring India, US and Dubai for his other musical concept 'Heart 2 Heart' covering melodious ghazals and folk music.

His 10 city 'Heart 2 Heart' tour covering melodious ghazals kicked off in Mumbai yesterday and will further move to Bangalore, Pune, Hyderabad, Kolkata and other cities

PARTH OZA

I'm the kinds who can sit and enjoy the rains from a distance. I certainly don't like hitting the roads. But it was one monsoon when it all changed for me. I was auditioning in Mumbai and by the time it got over, the roads were completely flooded and I couldn't find any mode of transportation to return home. So, against all my apprehensions, I started walking, and as it turned out, it was a lot of fun. Walking on the roads in the rain had never been so much fun.

My feelings for rains have always been neutral. Once, I was driving in rains and someone tried to overtake me due to which I lost my balance and skidded on the road. I was hospitalized for five days. And during one of the days in the hospital, it had started raining again, and the nurse who was looking after me served me bhajiyas instead of the boring hospital food. We both chatted for two hours and since then both of us have been in touch. That's one instance which I will always remember

DIPNA PATEL

Although every monsoon is special for as I

love rains, this one time I remember in par-

ticular. It was Rakshabandan and we were

driving to my uncle's place. It started raining

heavily and the roads became water logged.

We were at a place where we couldn't stop

and had to drive through so that the car does-

n't stop midway. It was thrilling, exciting and

adventurous ride for all of us.
